

VENERA
RESERVA
Branco

This Reserva Branco is a true tribute to the excellence and tradition of the Douro region. Sourced from terraced vineyards planted on granite soils, which lend the grapes remarkable concentration and minerality, it is a carefully crafted wine made from selected grapes, a sophisticated, high-end expression of depth and complexity.

Aromatically driven by subtle notes of unripe white fruit and refined oak, *Venera Reserva Branco* offers an enveloping bouquet reminiscent of the great classic white wines of the Douro.

On the palate, it reveals a balanced acidity that, together with the fruit and the oak, creates a harmonious and elegant wine of exceptional quality.
